

## **C-SPAN Infographics on White House Coronavirus Task Force Briefings**

C-SPAN airs each White House Coronavirus Task Force briefing LIVE and in its entirety. Based on information archived via the C-SPAN Video Library, we have compiled data on the number of speaking appearances by members of the Task Force and other officials at each briefing, plus each session's length.

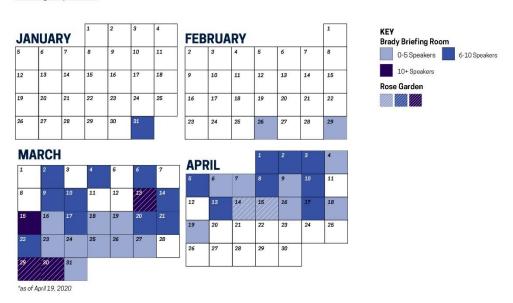

Note: The data and infographics are based on actual speaking time at the briefing, and do not include officials and administration who may have attended the briefings but did not speak.

All C-SPAN video coverage of the COVID-19 pandemic, including White House Coronavirus Task Force briefings, is available at <a href="https://www.c-span.org/coronavirus/">https://www.c-span.org/coronavirus/</a>.

You can view the infographics below and online here https://twitter.com/cspan/status/1252190360807317505.
